State Office-II- LOT-1 (7 Sites namely: Agra Terminal, Mathura Terminal, Meerut Terminal, Haldwani Depot , Roorkee Terminal, Shahjahanpur Depot, Etawah BP).

Whereas as per terms of LOI, M/s Planet Infra was supposed to submit PBG of Rs 2,40,10,977/- . In spite of various emails and Show cause notices as mentioned at 4) above, you have submitted partial PBG of only Rs 50,00,000/-.

Whereas various emails, warning letters, show cause notices were issued to M/s Planet as referred at 4) to 7) for non-submission of PBG, non-performance, non-deployment of adequate resources and slippage in the project milestones. As a result, TCIL has been receiving embarrassing emails /letters from end client and TCIL could not meet any of its targets committed during the period repeatedly.

Your contentions for the delay in executing the projects due to various issues have been looked into and found not tenable. Further, it is observed that TCIL has not been able to achieve its task within the timelines mainly due to the deployment of inadequate resources and poor project planning by M/s Planet Infrastructure.

Keeping in view M/s Planet's failure to submit required PBG, poor track record in execution of the project, inadequate resource deployment, repeated failure to meet projects deadlines; we have been constrained to take following actions against you:

- i. Terminate the LOI no. TCIL/ITCS/IOCL/UPSO/2024-LOI dated 24/01/2024 with M/s Planet Infrastructure Management Pvt Ltd for UPSO-II IOCL LOT-1 project and get the project executed at your risk and cost through a third party (subcontractor / Supplier). If the work is awarded to third party (subcontractor / Supplier) at an additional cost than the original price of M/s Planet Infra then such additional amount shall be recovered from due payments of other projects being executed by M/s Planet Infra.
- ii. Encash/Forfeit the partial PBG of M/s Planet Infrastructure Management Pvt Ltd. submitted for UPSO II project and recover the balance PBG amount from due payments of other projects.
- iii. Bann / Debar M/s Planet Infra for doing any future business with TCIL for 2 years as per sub clause no. (d) of Clause 1.3 (GENERAL TERMS AND CONDITION OF THE CONTRACT) "BANNING OF NON-PERFORMING VENDOR" of TCIL NIT No: TCIL/ITCS/33/2023/IOCL- UP II dated: 19/10/2023. Existing works of IOCL DSO,
- iv. To cancel the empanelment of M/s Planet Infra from TCIL and take further associated actions.

Further, this termination and banning order will not impact other existing / ongoing projects being executed by M/s Planet Infra who will make all efforts to complete these existing projects in time. Failure to do so, TCIL shall be constrained to cancel those work order in M/s Planet's favour and get those work done at M/s Planet's risk and cost and forfeit respective PBGs.

Since M/s Planet Infra has neither delivered any products/ material nor executed any works in IOCL UPSO II CCTV project, there is no need for joint preparation of inventory of the works performed/ supplies already undertaken.

This letter is without prejudice to any rights of TCIL which may be available to it under the terms of the said purchase orders.
